

TOBACCO POLICY

UU Deland finds and declares that the purposes of this policy are (1) to protect the public health and welfare by prohibiting the use, sale and possession of any tobacco products, including electronic cigarettes and vaporizers on the premise; (2) to guarantee the right of nonsmokers/non-vapers to breathe smoke and vapor-free air, while recognizing that the need to breathe clean air shall have priority over the desire to smoke or vape; and (3) to encourage a healthier, more productive living/learning environment for all members of our congregation.

UU Deland is a TOBACCO/SMOKE/VAPE Free Campus.

No smoking signs will be posted on the property.
