

INCLEMENT WEATHER POLICY

In the past, inclement weather has necessitated the closing of the church and we have developed the following procedures. We support individual decisions about personal safety, even if events are held during inclement weather.

1. For church CLOSINGS it is up to the PROGRAM CHAIR and/or the BOARD PRESIDENT to decide by 7:00 a.m. whether or not to cancel services/events or lead from ZOOM. If it is determined services/events will be led from ZOOM or canceled, the PROGRAM CHAIR and/or BOARD PRESIDENT will let the CHURCH SECRETARY know and the secretary will inform the congregation by church email.
2. WEB AND FACEBOOK ADMINISTRATORS WILL POST the closing on our uudeland.org WEBSITE and uudeland FACEBOOK PAGE.

Committee/Team Chairs or leaders of church groups who have a meeting or event planned are responsible for deciding whether or not to conduct their business at the church in the event of inclement weather. The chair or leader is responsible for notifying participants of their decision to cancel.
